

Veterans In Paramus Housing

The members of the Paramus Sunrise Rotary are committed to "Service Above Self" and this Borough project for our Wounded Veterans needs our help and assistance. The Veterans moving into this amazing facility being built by the Borough will need help in furnishing their condominium units. Our golf outing will enable us to help in providing those amenities our Veterans will need to complete their move into the facilities.

Your generosity and support is greatly appreciated by our Rotary, the community veteran organizations and those individuals moving into the facilities.

Thank you,
Janet Pomante, President
